**Re :** Letter of Support for DotAsia Organisation ICANN TLD Bid

---

Dear ICANN Board Members,

On behalf of HKISPA, I am pleased to express our support to DotAsia Organisation to bid for establishing an Asia Pacific based Top-Level Domain (TLD). We understand that DotAsia Organisation is a non-profit making organisation which intends to operate in an appropriate structure that can represent the Asia Pacific community and shall serve for the betterment of the Asia Pacific Internet development.

Please let this serve as a letter of support. I sincerely wish you look favourably upon the DotAsia Organisation proposal. We would also like to express our willingness to cooperate with the DotAsia Organisation to promote Asia TLD and participate in its development should they successfully won the bid.

Yours faithfully,
