As a member of the Asia Pacific Internet community, I believe that a
sponsored .ASIA TLD will be a valuable addition to the name space.  The
Asia Pacific community is a vibrant and growing one, and a new domain that
represents our shared hopes and common interests will help build both the
Internet and our community.
I support the DotAsia Organisation as sponsor of the .ASIA  TLD.  I
believe that the governance structure of the DotAsia Organisation ensures
broad representation from the community it intends to serve.

Respectfully,

Gaurab Raj Upadhaya
Chair, SANOG
CEO, SNS Inc. Kathmandu, Nepal
